

LENT: Embracing the Imperfections of Life and Faith

LENT DEVOTIONAL

We're using Kate Bowler's "A Good Enough Lent" Companion booklet throughout Lent and we're going to do the devotions in an order that corresponds to our worship themes. **Each Monday, I'll be hosting an online discussion time where I'll lead us through a devotion and a time of reflecting on scripture, sharing and praying.** Don't worry if you haven't done everything in the devotion booklet. This isn't necessary to fully participate. **As always, you're invited to share and talk to the extent you feel comfortable doing.**
